

Secure Provider Portal

Manage patient administrative tasks quickly and easily.

Visibility of Multiple TINs
One point of entry allows for quick and easy access to Allwell from Sunflower Health Plan member information for multiple TINs/practices.

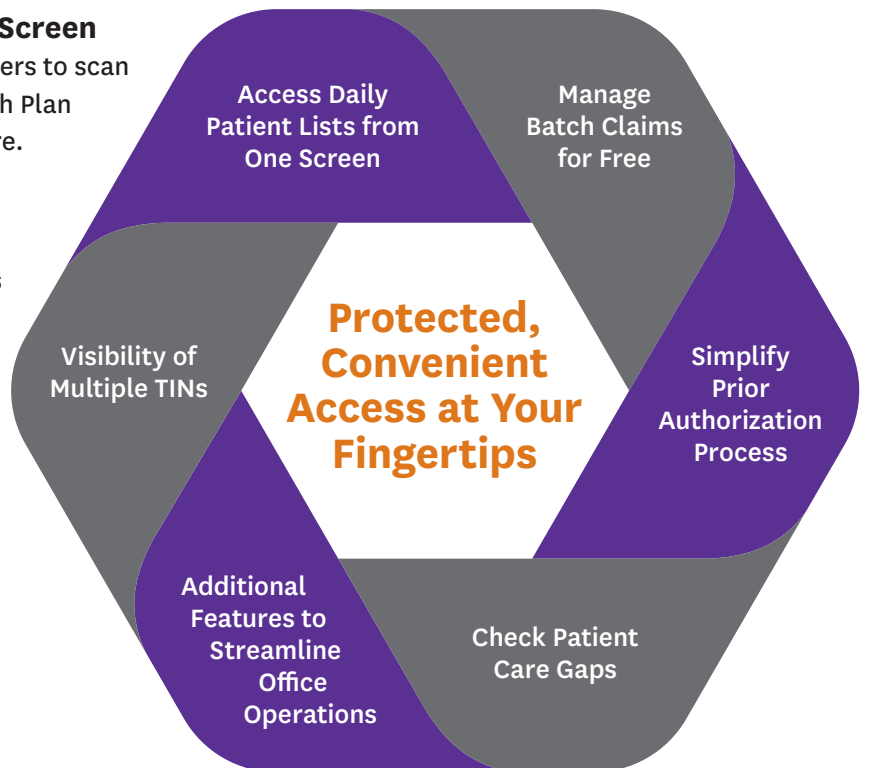

Access Daily Patient Lists from One Screen
One concise view allows primary care providers to scan patient lists for Allwell from Sunflower Health Plan member eligibility, care gaps, and much more.

Manage Batch Claims for Free
Submit and manage claims, including batch files, for free. View detailed Electronic Funds Transfer (EFT) payment history.

Simplify Prior Authorization Process
“Smart Sheets” feature prompts for required clinical information when submitting prior authorization requests.

Additional Features to Streamline Office Operations:

- View patient demographics and history
- Secure messaging between provider and Allwell from Sunflower Health Plan
- Update provider demographics
