EASY TO USE

Getting benefits from Sunflower Health Plan is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and any of your family who are members of Sunflower Health Plan, need to choose a Primary Care Provider (PCP).

When you need care, start with a call to your PCP for an appointment. Tell them you are covered by Sunflower Health Plan. If needed, your PCP will make a referral for specialized care. It's that simple.

If you choose a clinic or a doctor working at a clinic to be your PCP, you will be able to see any doctor at that clinic.

ACCESSIBILITY

If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Sunflower Health Plan Customer Service at 1-877-644-4623 (for TTY, dial 711).
