Topics to Discuss/ Areas of Concern:

Member was brought into DCF custody due to unsafe and unhealthy home living conditions and parents being arrested. There were only two beds in the home at time of removal for 3 children living in the home. At time of removal there were large amounts of drugs and drug paraphernalia out on kitchen table as well as 6 firearms hidden throughout the home. Mother is currently incarcerated for drug possession and possession of a firearm. Member was residing with mother and step father at time of removal. Biological father resides separately in Wichita and is currently engaged in the reintegration process to have member reintegrated to his care.
