Do You Have ...

- A Sunflower Health Plan member with Medicaid (or Medicare A/B)?
- Someone who wishes to return to the community?
- Questions about someone taking prescriptions? (Call our Psychotropic Medication Consultation Line at 1-844-MED-4545.)
- Someone who needs services when they go home ?
- Someone with plans to return home after a short-term/skilled stay?
- Someone who desires to return to the community per the Minimum Data Set (MDS) Report?
- Someone you have identified as ready to discharge?

The Sunflower Transition Team Goal

- Help the member to create a safe plan to discharge to the community
- Identify services and resources to help with a successful transition to the community

Your Sunflower Transition Team Can Assist!

We can participate in transition meetings and activities that may include:

- Transition coordination services
- Finding and securing housing
- Securing house-hold items
- Additional financial assistance or benefits
- Confirming informal supports
- Care coordination & follow up
- Personal care attendant services
- Emergency response services
- Completing in-home risk assessment
- Assist in locating community resources
- Interpreter / translation services
- Home modifications
- Meal services
- Confirm medical appointments and ensure services and equipment are in place

We can help with transitions to:

Own Home / Apartment
Home and Family
Assisted Living
Homes Plus
Home & Community Based Waivers
